

Building a better
working world

What if your career could have a lasting impact on you, and on the world?

Finance team intern

EY, a global leader in assurance, tax transaction and advisory services, is looking for Intern in our internal Finance Team to join us in our Skopje office

Here at EY, you'll have the chance to build a truly exceptional experience. We'll empower you with the latest technology, surround you with high-performing teams, and provide diverse and inclusive culture you need to discover your full potential. Through our coaching and training programs, you'll develop the skillsets you need to stay relevant today and in the future – all while building a network of colleagues, mentors, and leaders who will be on the journey with you at EY and beyond.

About the role

As an Accountant you will provide high-quality administrative support to the Finance and Accounting Department and the internal clients of EY through precise, responsible and client-oriented mindset, active involvement in teamwork, and flexibility regarding workload.

About you

We are most interested in people who are dedicated to work as part of high-performing teams, demonstrating enthusiasm, high motivation and passion to develop fast professionally in a multinational working environment. You'll need to thrive in picking up new skills and talents as you go, so natural curiosity, a lot of questions and the confidence to speak up when you see something that could be improved are essential. If you are a person with positive attitude, have good analytical skills and are eager to learn and improve your professional knowledge and performance, EY is the place where you will be able to realize your full potential.

As Finance Intern / Associate you will

- General Ledger accounting on stand-alone level; this includes booking of daily cash movements, invoices, expense accruals, prepayments, intercompany transactions and reconciliation of financial data.
- Participate in preparing of monthly/quarterly/annual financial reporting to internal and external parties (clients, auditors) under the supervision of the Chief Accountant
- Ensuring accuracy, timeliness and completeness of all client related tasks.
- Performing statistical reporting
- Executing accounting posting in SAP

Qualifications

- University Degree in or final year in Accounting / Finance
- Computer skills (MS Office; Excel) - advanced level
- Excellent communication skills in English and Macedonian language.
- Previous experience as an Accountant is not required, but knowledge of SAP shall be considered as advantage.
- Self-motivated, positive attitude
- Willingness to learn
- Attention to detail with a commitment to high quality and accuracy
- Ability to grow toward working independently and accept responsibility
- Ability to work in a fast-paced, team-oriented environment
- Strong interpersonal/communication skills
- Able and willing to carry out a range of internal client and technical work
- Commercially aware with a general interest in business and finance
- A degree of flexibility to meet client /department needs and deadlines
- Understand and follow workplace policies and procedures
- Team player

What's in it for you

- Accelerate your technical capabilities and transformative leadership skills with future-focused courses and development programs.
- Broaden your horizons by working on highly integrated teams across the globe and collaborate with people of diverse backgrounds – both professionally and culturally.
- Bring out the best in yourself with continuous investment in your personal well-being and career development.
- Develop your own personal purpose and help us create a positive ripple effect on our teams, our business, clients and society – building a better working world, together.

What you can expect

Нашиот процес на регрутација се состои од тестирање и интервјуа. Сите апликации ќе бидат третираны како строго доверливи. Само кандидатите селектирани во потесен круг ќе бидат контактирани.
