

UACS INTERNATIONAL WEEK VOL.5 "BUILDING BRIDGES"

 Skopje, North Macedonia

Join us for the International Teaching Week at University American College Skopje, a unique opportunity to connect with international educators. This week-long event is designed to promote cross-cultural understanding and collaboration in the field of education. The 5th edition of the **UACS International Week** will take place from **15 to 20 April, 2024**.

Whether you are a lecturer or researcher, UACS International Teaching Week offers a platform for learning, sharing, and networking. Gain new perspectives, share innovative teaching methods and build lasting connections fostering a global network of teaching professionals.

Application deadline: 1 April, 2024.

If you are interested in participating, please send an email with a brief lecture topic description (max. 150 words) and CV to the following address:
marija.adziev@uacs.edu.mk

Applications are welcome both for online and in-person lectures, depending on the lecturer's preferences.
We are looking forward to welcoming you at UACS!
