

**Wabtec MZT**

## **Join Wabtec MZT Summer Internship Program & Gain Hands-On Experience**

Are you proactive, eager to learn, accountable, collaborative, with critical thinking, technical & analytical abilities?

*Step into the Future of Rail and Transit!*

This August and September, join Wabtec MZT, a global leader in railway brake systems, and gain hands-on experience in Operations, Supply Chain, Human Resources, EHS (Environment, Health and Safety), Quality, and Engineering.

### **Why Choose Wabtec MZT?**

Our internship program is designed to help you learn, develop, and grow. You'll work alongside industry experts and tackle complex challenges together.

#### **Benefits:**

- Corporate experience in a dynamic organization
- Paid internship with provided meals
- Mentorship opportunities and professional networking

#### **Internship Positions:**

Operations: Engage in production processes and conduct quality checks.

Supply Chain: Manage inventory, support the coordination of logistics, and sourcing activities.

EHS (Environment, Health, Safety): Take part in conducting safety audits, incident investigations, and organizing safety materials.

Human Resources: Assist in employee onboarding, organization of employee events, and handling employee-related and administrative tasks.

Quality: Gather and analyze quality data, support quality checks and implement corrective actions.

Engineering: Assist in design projects, support R&D, and collaborate on technical drawings.
