

The BMZ Group is a global player in the development and production of cross-industry lithium-ion system solutions. It offers the complete value chain from the cell to the battery to second life and disposal. In addition to supplying markets such as medical, power & garden tools and industrial applications, the BMZ Group sees itself above all as THE GREEN ENERGY SYSTEM PROVIDER. By producing home and industrial storage systems for photovoltaic systems and batteries for electromobility, BMZ produces the heart of the necessary infrastructure for the energy and transport transition. The Group has its headquarters in Germany and has other production sites in China, Poland, the USA, North Macedonia and Brazil as well as branches in Japan, Hong Kong, the UK and France. There are also research and development sites worldwide. More than 2,500 employees work for the BMZ Group. Due to our growth, we are looking for a

JUNIOR FINANCE ANALYST
